Invoice data

To issue an invoice for your institution, click button 'Copy institution's data' to copy into an invoice the data you provided for your institution. Otherwise, fill in the fields manually.

Click button 'Accept'.

In the 'Payments' (right panel) select the items you would like to have on your invoice. If you click button 'Add' next to 'All fees' then all items will be included.

The screenshot shows the 'Registration Panel' interface. At the top, there are logos for 'WCC 2018 POZNAŃ' and 'ifip'. Below the logos, the breadcrumb trail reads: 'Account data > Personal data > Registration fees > Additional fees > Accompanying events > Accommodation > Payments > Invoices preferences > Additional information > Summary'. The main section is titled 'Invoice preferences' and contains the instruction: 'Please select items to be paid by the indicated payer.' Below this, there are radio buttons for 'Do you want to receive the VAT invoice?' with 'Yes' selected. A note states: 'If you press "Copy institution's data" participant's name and category will be printed on invoice automatically.' The interface is split into two columns. The left column, 'Invoice data', contains input fields for 'Buyer's name', 'VAT Number', 'Country' (a dropdown menu), 'City', 'Address', 'ZIP / Postal code', and a checkbox for 'Correspondence address (if it is different from that on invoice)'. At the bottom of this column are three buttons: 'Copy institution's data', 'Accept', and 'Cancel'. The right column, 'Payments', is a table with a red oval highlighting the 'All fees' row. The table lists various fee categories with 'Add' buttons next to them: 'Registration fees', 'Conference day fee x4', 'Services & fees', 'BDAS (book)', 'TC 11 SEC (book)', 'Welcome reception - 17.09.2018', 'Congress Dinner (grill) - 19.09.2018', 'Accompanying events', and 'The beginning of Poznań (17.09.2018 19.00 - 17.30)'. At the bottom of the panel are 'Back' and 'Continue' buttons.

Notice that an online payment is realized by PayU.

The screenshot shows the PayU payment interface. On the left, a 'Summary' box displays 'Payment at wcc2018.systemcoffee.pl' and a total amount of '€600.00'. On the right, the 'Debit or credit card' section features logos for VISA, Mastercard, and American Express. Below the logos are input fields for 'Card number', 'MM/YYYY', and 'CVV'. A text field contains the email address 'ifip02full@gmail.com'. A large green button labeled 'Pay €600.00' is positioned at the bottom of the card payment section. The PayU logo is visible at the top center, and a PCI-DSS logo is at the bottom right.
